

WELCOME TO OUR BRAND-FOCUSED FLORAL DESIGN SERVICES!

At A&M Floral Place, we specialize in providing exceptional floral arrangements and event decorations to our clients, with over 10 years of experience in floral event decorations and 3 years in the retailing industry. We appreciate the opportunity to create unique and personalized design solutions that perfectly suit each client's individual taste and style.

We understand that your brand is more than just a product or a logo. Presentations, product release, photoshoots, corporate events are highly important for business development. And of course, this part deserves to be celebrated in every detail of your event. That's why we're here to help you create an exclusive experience that perfectly reflects your brand's mission, style and personality.

Corporate events

Whether you're an established brand or a developing one, we're passionate about working with you to bring your corporate events and gifting ideas to life. Our design team can create floral unique experience that leaves a lasting impression on your clients, guests, or employees, no matter if you need one arrangement or the full floral event service.

Corporate gifts

Looking for the fresh ideas of a custom, memorable gift that will stand out among the rest? This season, let us plan and design a gift that perfectly reflects your brand's identity and values. Whether you want to wow a client or recognize an employee for a job well done, we've got you covered.

Branded presentations / In-Store Point of Sale / New product release

And when it comes to presentations, we know that looks matter just as much as content. That's why we offer branded presentations that are as visually stunning as they are informative. From step and repeats to in-store point of sale displays, we use a wide range of materials, to create event décor that ignites the senses and inspires a positive feeling within your audience.

Brand and Product photoshoot

Every branded product deserves to be represented to a customer on a specific level with maximum profit for the company. So, if you are looking for modern floral design solutions while creating Instagram or website photo, video or reels content or so we are here to help you with that.

So, we'd like to create together an unforgettable event that perfectly embodies your brand's identity and values. Excite your audience with a new kind of experience with flowers and plants that's alive.

It all begins with an idea.
Maybe you launch a new
product release. Maybe you
want to make your creative
space or front more attractive
for your Clients. Or maybe
you have a new project to
share with the world.

Contact us to get a design proposal
for your business.
